Dear Gregory,

It is my pleasure to offer my recommendation for your firm, River View Construction, Inc. In my time at Fremont Unified I have worked with over 20 different contractors performing summer construction. It is not often that I feel urged to thank the contractor for performing their summer contract work, on time and in a professional manner.

River View worked on two projects this summer for Fremont Unified School District; one at Mission Valley Elementary and one at Vallejo Mills Elementary totaling over 1.4 million, accomplished in just 10 weeks.

We appreciate the working relationships developed during the time period and the timeliness of your work. You have responded to punch list items responsibly and are addressing issues as they arise. You have been fair and reasonable with change orders and have provided quality work.

We look forward to working with you on future projects and encourage you to be active on our bidders list.

I will be happy to act as a reference for your firm. I can be contacted at 510-979-7700.

Thank you for your hard work this summer for the children and staff of Fremont Unified.

Sincerely, 
Gaye Dabalos
Construction Manager
